

WLOTA DIRECTORY

January 2019

Welcome dear friends of WLOTA.

With this 2019 directory, we hope you will find most of the answers to your questions.
We know it is not complete and it will complete with future editions.
We wish you a good read and review for improvement are welcome.

WLOTA HQ

WLOTA 2019

The V7 WLOTA Directory is updated with :

- **Rule** : Articles 3.3.3 / 3.3.2.1 / 3.3.2.2 / 3.3.2.3 / 3.3.2.4 / 3.3.2.5 / 3.3.2.6
- **WLOTA List** : 3241 WLOTA References at December 31 2018
- **WLOTA List** : Verification and correction for all DXCC Call sign
- **WLOTA List** : All name was verified and correction (Islands, Rock, Reef...)
- **WLOTA Award HQ**
- **WLOTA Merit Award 2018**

This directory is made by F5OGG.

WLOTA AWARD HQ

The WLOTA HQ is responsible for the administration of the diploma with the recommendations of the association WLH Award.

It is composed of several members and leaders in every continent who are the representatives of WLOTA.

WLOTA HQ members :

- Président : F5OGG - Phil
- WLOTA Manager & validation Expedition : F5OGG - Phil
- WLOTA Treasurer : F8EZZ : Joël
- WLOTA Diploma : WLOTA HQ
- WLOTA Contest : F8FJH – François
- WLOTA Members : F5IDC Manu – F5DBT Dan

Authorised WLOTA Checkpoints :

- North America : VA3RJ : Dave
- South America : PT2OP : Orlando
- Russia and all Republics : UA0ZC : Valery
- Oceania : Need OM
- Europe outside Croatia : Need OM / YL
- Europe Croatia Only : 9A2MF - Franjo
- Africa : EA8CZT - José

The E-mail for contact WLOTA HQ is : [wlota08 \[at\] wlota.com](mailto:wlota08@wlota.com)

WLOTA – Schedule of Charges

The WLOTA HQ is an association must allow all OMs, YLS and SWLs can receive in the best conditions possible, all documents, diplomas and contests trophies WLOTA.

However, the talks of the website and the various trophies and diplomas contests exclusively suportes financially by the WLOTA association.

The operation is very simple and financially little expensive option.

To request one or more diplomas, the directory, ..., you must be a WLOTA member.

The WLOTA member fee **for one year** is:

All countries : € 4

The subscription as WLOTA member is valid from date to date. Example: July 12, 2016 to July 11, 2017.

What I have with this subscription:

- Consult the pages of WLOTA website open to WLOTA member.
- Request and receive as many diplomas as required during 1 year (free)
- Update your WLOTA lighthouses score contacted (for the annual ranking) as many times as you like.
- Lists of lighthouses expeditions validated by WLOTA HQ for your diploma's (and that every request diplomas)
- Your ranking WLOTA Member (Honor Roll, Expeditions, etc ...)
- All diplomas are free
- WLOTA Newsletter
- All diploma's of French Sea Coast Lighthouses Award

To join, you must submit a request by email to Joel: wlota08 [at] wlota.com
A link will send you to pay for your subscription via PayPal.

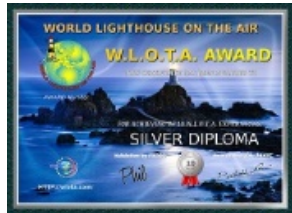

We thank you for your understanding and assure you of our maximum for the WLOTA award is one of the best amateur radio activities.

Sincere's 73

The WLOTA team.

WLOTA Rules

1 - Introduction

1.1 : Background to the WLOTA™

1.1.1

The "World Lighthouse On The Air" (WLOTA™), is the brain-child of F5SKJ and F5OGG, both of whom appreciate and recognise the overall importance of lighthouses. This award has been set up as a tribute to lighthouse keepers, either in mid-ocean or isolated islands. Since the automation of most of these lighthouses, lighthouse keepers are, in the main, no longer required, but their long-standing contribution cannot be denied. With this in mind, WLOTA™ has been developed to encourage amateur radio operation from these remote locations

1.1.2

The WLOTA™ (World Lighthouse On The Air) was set up by F5OGG, F6DGT, F5SKJ, F 17511. It is an internationally-based award giving recognition to radio amateur contacts from these locations, with effect from 01 July 1997.

1.2 : Essential criteria to be met prior to validating any lighthouse for the WLOTA™ Award

1.2.1

The WLOTA™ Award is intended to complement existing internationally recognised awards (such as DXCC, IOTA, WPX, WAZ etc.). From the beginning, the founders were faced with a world-wide list of over 15000 lighthouses. An award of this kind, with such a huge number of lighthouses, would not be practical. Bearing in mind the need to acknowledge lighthouse keepers (para 1.1.1), it was decided to retain a limited number of isolated, manned lighthouses representative of the function they perform in the marine environment, and selected according to the criteria defined in the following paragraphs. The award programme should present a new and interesting challenge, as much for activators as for lighthouse hunters.

1.2.2

All lighthouses valid for the WLOTA™ Award must be located on islands. To be allocated a reference number, any lighthouse must satisfy the following criteria: - Maximum range of the beam to be not less than 10 nautical miles

- Under 10 nautical miles, the decision is taken by WLOTA HQ (specials criteria's)

1.2.3

In cases where there is more than one lighthouse on a given island, only one reference number will be allocated (see "Position Lighthouse Station" and annex 1 of the WLOTA™ Award Directory).

1.2.4

All documents in possession of WLOTA™ Management Committee serve as reference for the attribution of WLOTA™ reference.

1.2.5

Lighthouses located on the mainland, are not valid for this award. The following are also excluded: marker buoys, channel buoys, semaphores and lightships

1.2.6

Any lighthouse valid for the WLOTA™ Award is given a reference of the form "L xxxx" For example: Lighthouse on Louet island: L 0001 or L0001. L 0002, L 0003 ... Original reference numbers of the form "LH xxxx" and allocated since 01/07/97 are still accepted

2 - Expeditions

2.1 : Organising WLOTA™ expeditions

2.1.1

Anyone organising a WLOTA™ expedition must seek and obtain whatever authorisations are required prior to any operation

2.1.2

All WLOTA™ expeditions send a WLOTA™ lighthouse number must operate from the same island, rock that lighthouse is located (see "Position Lighthouse Station" and annex 1 of the WLOTA™ Award Directory).

2.1.2.1

It is not necessary to be near the lighthouse but only in the same island as the lighthouse.

2.1.3

Between 01 July 1997 and 31 December 2004 WLOTA™ expeditions and permanent stations with WLOTA™ number must be validated by the WLOTA™ HQ to be accepted for the diploma.

2.1.3.1

After 01 January 2005 all expedition and permanent stations on WLOTA Lighthouse Island will have the WLOTA™ reference printed on the Qsl card or on the QSO label.

2.1.4

Since 01 January 2005 you must verify that the WLOTA™ lighthouse that you activate necessitates or not the validation indicated in the WLOTA™ list column "Validation expedition ?". (see also 2.2 to 2.3.3)

(No validation = your qsl is not accepted for WLOTA Award)

2.1.5

If you need a new WLOTA lighthouse number, please go to para.4

2.2 : Requirements for validating WLOTA™ Award expeditions

2.2.1

It is not the intention of the WLOTA™ HQ to cast doubt on activators but rather to emphasise its serious attitude towards the administration of the award with a view to satisfying activators as well as hunters.

2.2.2

WLOTA™ lighthouses number having "Yes" in the column "Validation expedition ?" must send the file of validation and a proof of expedition (see 2.3 to 2.3.3).

2.2.3

The official WLOTA™ Award lighthouse list will indicate the WLOTA™ reference numbers "L xxxx" for which it will be necessary to seek validation.

2.2.4

After the end of expedition, you have maximum 12 months (one year) for send the file annex 6 and a proof of expedition.

2.2.5

After 12 months, your request of validation expedition will be rejected or eventually accepted by WLOTA HQ with derogation and another proof.

2.3 : How validate your WLOTA expedition

2.3.1

You must write and send the annex 6 - Validation expedition (see Request Validation expedition)

2.3.2

You must send a proof of your physical presence :

- photo of your expedition on island with (if possible) the lighthouse, or
- Certified by an official document in the name of the expedition leader, or
- Certifying landing or presence on the island or at the lighthouse, and giving the name of the signatory (hotel, camping or shop manager, lighthouse keeper, island owner or representative). This document should indicate the arrival and departure dates to / from the island or lighthouse, or
- A photo of the operator(s), also showing a plaque with the island name or the lighthouse, can be submitted as evidence.

2.3.3

Licence : A photocopy of the licence is required in all cases the expedition call-sign used is not the same as the home-call.

2.3.4

After validation, WLOTA™ expeditions validated receive a WLOTA™ validation card.

2.3.5

One year after the end of your WLOTA™ expedition, you cannot request the validation : It's too late for validation

3 - WLOTA™ Awards

3.1 : WLOTA™ Award categories

3.1.1

There are 2 WLOTA™ Award categories - one for activators and one for other lighthouse hunters. For Short Wave Listeners (SWLs), see article 3.1.6

3.1.2

All operations after 01 July 1997 qualify for this award

3.1.3

All HF WLOTA™ Award certificates may be endorsed as "CW", "SSB", "Mixed Mode (CW + SSB + Digi-mode)".

3.1.4

All 2-way QSOs or SWL reports must be from the same DXCC country. In the event that such QSOs/reports have occurred under different call-signs (such as special-event callsigns), the applicant is required to provide evidence of the validity of such call-signs on the relevant dates.

3.1.5

QSOs / SWL reports with/from maritime mobile stations (/MM) are not accepted for the WLOTA™ Award.

QSOs / SWL reports via relay, satellite or packet radio are not accepted for the WLOTA™ Award.

3.1.6

The WLOTA™ Award certificate for SWL is only the first Diploma in WW in Mixed mode (all mode : CW, SSB and digit) and each continental in Mixed mode (all mode : CW, SSB and digit). The SWL can request the diploma for 100 lighthouses. For Endorsement see article 3.4.3. The reason's are most SWL use only Cluster and automatic CW receiver.

3.2 : WLOTA™ Award certificates available

3.2.1

All WLOTA™ Award certificate are achievable on the HF bands (WARC include) (see 3.3):

- WLOTA™ xxx LH World-wide
- WLOTA™ xxx LH Africa
- WLOTA™ xxx LH Asia
- WLOTA™ xxx LH Europe
- WLOTA™ xxx LH North America
- WLOTA™ xxx LH Oceania
- WLOTA™ xxx LH South America
- WLOTA™ xxx LH West Indies
- WLOTA™ xxx LH High Latitudes

The Plaque of Excellence and other special trophies (in future)

3.3 : Required QSO totals for the award

3.3.1

The first WLOTA™ World-wide diploma can be requested at 100 lighthouses, requiring confirmation (QSLs) around the world.

The second WLOTA™ World-wide diploma can be requested at 200 lighthouses, requiring confirmation (QSLs) around the world

The another WLOTA™ World-wide diploma can be requested each 100 lighthouses (200, 300, 400, 500, etc...), requiring confirmation (QSLs) around the world

3.3.2 WLOTA™ Continental

Continental diplomas are available for:

3.3.2.1 : WLOTA™ Africa continental diploma

This diploma is obtained every 25 lighthouses with reference WLOTA™.

It can be requested in CW, SSB and/or Mixed (CW + SSB + Digi mode), requiring confirmation (QSLs) from WLOTA™ lighthouses QSOs.

3.3.2.2 : WLOTA™ ASIA continental diploma

This diploma is obtained every 50 lighthouses with reference WLOTA™.

It can be requested in CW, SSB and/or Mixed (CW + SSB + Digi mode), requiring confirmation (QSLs) from WLOTA™ lighthouses QSOs.

3.3.2.3 : WLOTA™ EUROPE continental diploma

This diploma is obtained every 50 lighthouses with reference WLOTA™.

It can be requested in CW, SSB and/or Mixed (CW + SSB + Digi mode), requiring confirmation (QSLs) from WLOTA™ lighthouses QSOs.

3.3.2.4 : WLOTA™ NORTH AMERICA continental diploma

This diploma is obtained every 50 lighthouses with reference WLOTA™.

It can be requested in CW, SSB and/or Mixed (CW + SSB + Digi mode), requiring confirmation (QSLs) from WLOTA™ lighthouses QSOs.

3.3.2.5 : WLOTA™ OCEANIA continental diploma

This diploma is obtained every 50 lighthouses with reference WLOTA™.

It can be requested in CW, SSB and/or Mixed (CW + SSB + Digi mode), requiring confirmation (QSLs) from WLOTA™ lighthouses QSOs.

3.3.2.6 : WLOTA™ SOUTH AMERICA continental diploma

This diploma is obtained every 25 lighthouses with reference WLOTA™.

It can be requested in CW, SSB and/or Mixed (CW + SSB + Digi mode), requiring confirmation (QSLs) from WLOTA™ lighthouses QSOs.

3.3.3

The WLOTA™ High Latitudes certificate can be requested each 50 lighthouses in CW, SSB and Mixed (CW + SSB + Digi mode), requiring confirmation (QSLs) from lighthouses in Arctic and Antarctic lighthouses and located north of latitude 60°N or south of latitude 50°S.

3.4 : Endorsements

3.4.1

Any endorsements will be for the same mode as your WLOTA™ Award (CW, SSB, Mixed). When you have more than one WLOTA™ award, you may specify which one(s) you wish endorsed

3.4.2

Endorsements may be from 1 lighthouse per request. The rate for the endorsements is fixed by 20 slice new lighthouses. Endorsements requested after 31 January each year will not count towards the annual award listings published in April of that year. Endorsements are the means by which applicants may be admitted to the Honor Roll

3.4.3

The Endorsements for SWL is only a CGR list of new WLOTA™ listen. No new WLOTA™ diploma but only the number of WLOTA™ lighthouses received are published on the WLOTA™ web site at page reward. The SWL must be updated his WLOTA™ member card

3.5 : WLOTA™ Lighthouse Expeditionary

3.5.1

The WLOTA™ management aims to encourage expeditions to "LH xxxx" or "L xxxx" lighthouses by awarding expeditionary diploma. Diploma's are awarded only to those activators who can submit the required number of validation cards. Amateurs activating islands without requesting their validation, but wishing to receive the diploma's, must validate the operation. There will be no dispensations in respect of validation cards

3.5.2

WLOTA™ expeditionary bronze diploma : Bronze diploma requires the activation of 5 different lighthouses that have been validated by the WLOTA HQ

3.5.3

WLOTA™ expeditionary silver diploma : Silver diploma requires the activation of 10 different lighthouses that have been validated by the WLOTA HQ

3.5.4

WLOTA™ Activator expeditionary diploma : Gold diploma requires the activation of 15 different lighthouses that have been validated by the WLOTA HQ

3.5.5

The Diploma Best WLOTA™ Continental Expedition of the Year:

The best WLOTA™ expedition of the year having been validated by a validation card in each continent receives a diploma.

This challenge takes into account the following criteria:

- Athletic Challenge (Difficulty expedition)
- Technological Challenge
- OM Spirit Challenge

This diploma is sent free of charge to winner in April.

3.5.6

The Trophy Best World WLOTA™ Expedition of the Year:

This trophy is attributed to the best expedition of last year and the winner is one of the best WLOTA™ continental expeditions.

This trophy is awarded in May of each year.

This trophy is a medal delivered free of charge to the best WLOTA™ expedition. This prestigious award will be presented at the annual WLOTA™ hamvention.

3.6 : WLOTA™ Merit Award

3.6.1

Each year, WLOTA HQ awards a diploma to the OM's who have rendered service to WLOTA. This diploma is announced during the month of February.

4 - WLOTA™ Rank

4.1 : Annual award listing:

4.1.1

A yearly listing of all awards, endorsements, medals and trophies will be published for the annual WLOTA™ Convention. There will be separate listings for amateurs and for SWLs. The yearly listing will include all endorsements received prior to 20 February of that year.

4.1.2

Those who have not requested endorsements for 5 years or more will not have their scores published on the annual listings

4.2 : Annual listing of Radio Amateurs

4.2.1

Honor Roll: Accession to the WLOTA™ Honor Roll requires confirmation of at least 50% of all lighthouses submitted for validation for the WLOTA™ award since 01 July 1997.

4.2.2

Honor Roll: In addition to the Honor Roll, a separate annual listing of those radio amateurs holding the WLOTA™ basic award, will be published for the annual WLOTA™ Convention in April of each year.

4.2.3

WLOTA™ medals listing: The list of those amateurs who have been awarded WLOTA™ medals appears on the WLOTA™ Award web-site. Their details will also appear in the WLOTA™ Award bulletin.

4.2.4

The call-sign of the Activator of the Year in the WLOTA™ programme, will appear on the WLOTA™ Award web-site and will also be announced at the Annual Convention in April of each year.

4.3 : Annual listing of SWLs

4.3.1

In addition to the Honor Roll, a separate annual listing of those SWLs holding the WLOTA™ basic award, will be published for the annual WLOTA™ Convention

4.4 : Applying for the WLOTA™ Award certificate :

4.4.1

The WLOTA™ Award certificate and subsequent endorsements may be obtained on submission of a QSO list. This must be submitted using Annex 4. The list should show the date of the QSO, the reference number of the lighthouse ("LH" or "L"), the call-sign used and the operating mode. QSL cards for all contacts should accompany the application. In order to simplify checking by WLOTA™ Checkpoints, it would be appreciated if QSL cards were arranged in the same order as they appear on Annex 4. This will expedite the application process and the return of QSL cards. Reference should be made to Annex 2 to determine Award costs and postage rates.

4.4.2

All validation cards must be submitted when applying for WLOTA™ medals. If these cards are no longer available, application may be made directly to WLOTA™ HQ, stating the call-signs for which validation cards were issued. The additional verification required in this instance, will entail a delay in the overall process.

5 - WLOTA™ Award lighthouse list

5.1 : List of lighthouses accredited by WLOTA™

5.1.1

A list of accredited lighthouses is available from the management committee of the WLOTA™ Award. This list is also available on the WLOTA™ Award web-site but without information regarding the activation past history.

5.2 : List of lighthouses accredited by WLOTA™

5.2.1

Requests for new reference numbers must be in accordance with paragraphs 1.2.2 and 1.2.5.

5.2.2

A request for a new reference number requires that Annex 5 should be returned accurately and fully completed, together with a copy of a map showing the location of the lighthouse. This map should have a scale of 1 : 250000 (a road map or marine chart). In the absence of a fully documented application, the application will not be acknowledged. Please allow up to 60 days for the management committee's acknowledgement of an application.

5.2.3

Any request for a new reference number should indicate the date of the proposed operation.

5.2.4

New reference numbers are provisional. The activator will be asked for evidence of having completed 100 valid QSOs prior to full authentication of the new reference number. This evidence must reach the WLOTA™ Award management committee within 2 months of the end of the activation.

6 - The WLOTA™ Award Management Committee

6.1 : Structure of the WLOTA™ Award Management Committee

6.1.1

The WLOTA™ Award Management Committee is composed of the WLOTA™ Award Founders, the WLOTA™ Award Directors, the WLOTA™ Award Checkpoints and the WLOTA™ Award Country Assistants.

6.2 : WLOTA™ HQ

6.2.1

The WLOTA™ Award HQ Management Committee consists of 6 or 7 members with the following areas of responsibility :

President, Vice-President, WLOTA™ Manager, Awards Manager, Treasurer and Arbitrator. Their duties are not limited solely to the administration of the Award - they may also act as spokespersons for the WLOTA™ Award. However, major decisions would still require the consent of the WLOTA™ Directors or the WLOTA™ Manager.

6.3 : WLOTA™ Checkpoints

6.3.1

The so-called "Checkpoints" represent WLOTA™ HQ in the various DXCC countries to which they have been assigned. They are expected to distribute all information regarding the WLOTA™ Award, including the bulletin. They are able to answer questions relating to the Award, give notice of expeditions and help activators with validation procedures in order that their operation will be valid for the WLOTA™ Award. They also vet applications for certificates or medals. WLOTA™ are the WLOTA™ Award representatives around the world. WLOTA™ Checkpoints may propose a WLOTA™ Country Assistant to assist them with their task. The final decision regarding the appointment of an Assistant, lies with WLOTA™ HQ.

6.3.2

WLOTA™ Country Assistants are attached to a WLOTA™ Checkpoint who will assist them with their duties. The Country Assistant is encouraged to let lighthouse hunters in their own country know about the WLOTA™ Award by disseminating all information regarding the award, including the WLOTA™ Award list of lighthouses, forthcoming activations, and the contact address for the WLOTA™ Award bulletin. WLOTA™ Country Assistants should encourage the validation of activations by informing their WLOTA™ Checkpoint, but cannot themselves process either activation validation requests or certificate or medal applications - these must be approved by their WLOTA™ Checkpoint.

7 - General Conditions

7.1 : Conditions

7.1.1

All participants in the WLOTA™ Award programme agree to abide by the Award Rules.

7.1.2

The WLOTA™ Award President reserves the right to disqualify, temporarily or permanently, any radio amateur or SWL shown to have contravened the Award Rules. Such disqualification may lead to total and final exclusion from the WLOTA™ Award programme.

7.1.3

Each year, the first weekend in July, the WLOTA™ Award committee organises an international contest.

7.1.4

Neither WLOTA™ HQ, WLOTA™ Checkpoints nor WLOTA™ Country Assistants can be held responsible for accidents or other incidents occurring during WLOTA™ related activities or activation expeditions. Such activities/expeditions are carried out entirely at the risk of those involved. The latter should ensure they have appropriate and adequate insurance cover.

7.1.5

Only the WLOTA™ Arbitrator is empowered to amend a decision taken by WLOTA™ Checkpoints or the WLOTA™ Manager. The WLOTA™ Arbitrator has absolute authority.

Requests for the services of the WLOTA™ Arbitrator must be accompanied by all relevant correspondence, clearly detailing the situation, as well as the amendment request. The decision of the WLOTA™ Arbitrator is final and without right of appeal.

7.1.6

The WLOTA™ Diploma Manager is responsible for dealing with all activation validation requests, certificate requests and medal requests from operators / SWLs. However, it would be appreciated if, in countries having a WLOTA™ Checkpoint, operators and SWLs would address their requests for certificates, medals or activation validations, directly to that Checkpoint. This is likely to elicit a faster response than one from the WLOTA™ Manager.

7.1.7

A summary table showing award costs and postage rates is available from the WLOTA™ Management Committee or from Annex 2 or from the WLOTA™ Award web-site.

7.1.8

All information regarding this Award is available from WLOTA™ Checkpoints, WLOTA™ Country Assistants or the WLOTA™ HQ, as well as from the WLOTA™ Award web-site.

7.1.9

The Directors of the WLOTA™ Award programme reserve the right to amend the present Award Rules at any time, but activations which have already been validated, take priority over any amendments and will remain valid for the WLOTA™ Award.

7.2 : WLOTA™ HQ contact addresses

7.2.1

Postal/"snail mail": WLOTA™ Award, 18 Allee Roch-Bihen, F 44510 Le POULIGUEN, France

WLOTA™ Web-site : <http://www.wlota.com>

WLOTA™ Mail : [wlota08\[at\]wlota.com](mailto:wlota08[at]wlota.com)

Or...via the e-mail address of each Checkpoint.

7.3 : WLOTA™ 2013 modifications

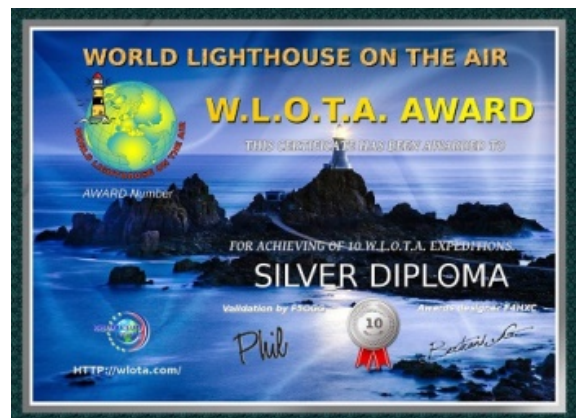

7.3.1

The WLOTA™ Award is copyrighted by INPI (France - 1997-2019).

WLOTA Expeditionnary Diploma's

For 5 WLOTA Different Activated

For 10 WLOTA Different Activated

For 15 WLOTA different Activated

These diplomas are free for Registered Members and sending to expeditionary via E-mail

WLOTA Diploma's

The WLOTA World Wide:

Each Awards can be requested in CW, SSB and Mixed mode each 100 WLOTA around the world.

For QSO with 100 WLOTA with QSL

The WLOTA Europe:

Each Awards can be requested in CW, SSB and Mixed mode.
QSO with WLOTA in Europe only.

For 25 WLOTA

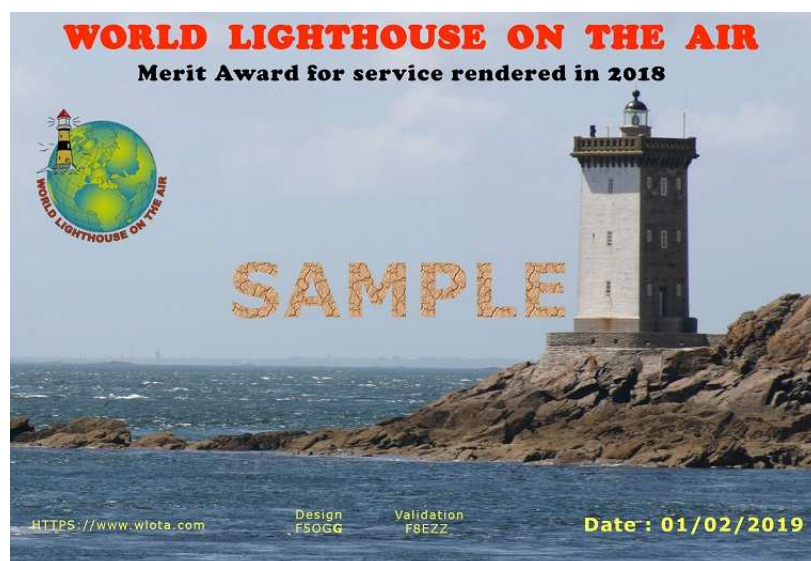

For 50 WLOTA

For 100 WLOTA

For services rendered to WLOTA :

This diploma is awarded to the Oms, associations, companies having rendered particularly honorable services during the last year.

This prestigious diploma was issued for 2018 to :

- **F5DBT** : Action in RAF Magazin
- **F4HXC** : Participation in WLOTA Diploma's
- **F5IDC** : La Louviere 2018 and WLOTA Web site
- **PY2KP** : Diffusion WLOTA DX Bulletin
- **MA3112SWL** : Diffusion WLOTA on twitter
- **EC8BO** : Diffusion WLOTA on twitter
- **JS6JKS** : Diffusion WLOTA on twitter
- **PA5X** : Promotion WLOTA Expedition on twitter
- **XE1B** : QSL cards, announcement, Medias...
- **VA3QSL** : QRZ.com page, announcements, Logo, Qsls

Diploma's Best WLOTA Expedition in each continent each year

Each year we give a diploma for the best WLOTA expedition in each continent. These expeditions are taken from all WLOTA Expeditions validated.

We have a diploma for:

- Best WLOTA Expedition in Africa
- Best WLOTA Expedition in Asia
- Best WLOTA Expedition in Europe
- Best WLOTA Expedition in North America
- Best WLOTA Expedition in South America
- Best WLOTA Expedition in Oceania

Date for the best WLOTA Expedition each year:

- **End of January:** WLOTA HQ send the list of expedition in each continent to WLOTA Checkpoint.
- **End February:** Each WLOTA Checkpoint send to WLOTA Manager their choice in each continent.
- **End February:** Each WLOTA HQ members send to WLOTA Manager their choice in each continent.
- **15 March:** WLOTA Manager send the result to WLOTA Checkpoint about the choice for WLOTA Best Expedition in each continent to WLOTA Checkpoints.
- **01 April or during the WLOTA Hamvention,** WLOTA give the WLOTA Best Continental Expedition Diploma's.

The Best WLOTA Expedition in each continent :

Best WLOTA Expedition in Africa

Best WLOTA Expedition in Asia

Best WLOTA Expedition in Europe

Best WLOTA Expedition in North America

Best WLOTA Expedition in Oceania

Best WLOTA Expedition in South America

In 2017 The winner of each Continent are :

Africa : 7V9A – WLOTA 0245

Asia : R71RRC – WLOTA 1604

Europe : EC1DJ/P – WLOTA 0368

North America : XF2L – WLOTA 1609 / 1994 / 3144

Oceania : VK5CE/3 – WLOTA 1031

South America : XR5M – WLOTA 0684

In 2017 the winner of the Best WLOTA Expedition in the world is :

7V9A – WLOTA 0245

WLOTA Lighthouses List

Island / Lighthouse Name	Require Validation	N° LH	DXCC	POSITION	IOTA
